

Connecticut Onsite Wastewater Recycling Association

Class Withdrawal Policy

The following is the Connecticut Onsite Wastewater Recycling Association course withdrawal policy. Please read carefully.

Students may withdraw from the Septic Installer Course or the Pumper Cleaner Course five (5) days prior to the first day of class with a full refund of the class tuition.

Students may withdraw after the first night of the Installer Course for a partial refund, after the cost of the study guide and partial class fees are deducted. Students withdrawing after this first class must notify COWRA by phone or email prior to the second class and must send a formal request in writing within fifteen (15) days.

There will be no refunds for Students withdrawing after the second night of class.

The Pumper Cleaner Class is a one-night course. Withdrawal must be requested five (5) days prior to the class by phone or email and a formal written request submitted within fifteen (15) days.
